Dear Kindermusik Families,

At this time we have received word that we do not have access to our classroom till possibly the New Year. We are watching the Covid19 situation closely, and an announcement will be made if we are able to offer classes sooner. I apologize for the inconvenience and hope to get back to teaching my sweet little ones again soon!

P.S. Be sure to LIKE '**Kindermusik with Susie**' on Facebook to be alerted of any upcoming announcements.

Wishing you and your families the very best ~ Ms. Susie
